STAT

MEMORANDUM FOR:

FROM : Director of Central Intelligence

SUBJECT : Application of the 1973 Rehabilitation Act
to the Agency

1. I very much appreciate your memorandum. It will be handled discretely as requested. You point up an important area to which we should rightly give our attention particularly as we look toward improving personnel policy and our career management system.

2. I have asked that ad hoc panels be established to appraise me of problems which exist within the Agency and recommend possible solutions. These will consider special interest areas such as women, minorities, summer interns, retirees, etc. To them I have asked that one be added to consider the special problems of the handicapped. I hope you will agree to serve on this panel. will contact you regarding details.
